User/Licensee shall review and comply with these health and safety protocols available at: <https://drexel.edu/coronavirus/visitors/overview/>, including, without limitation wearing certain Personal Protective Equipment ("PPE"), including face masks, and use of the Drexel Health Tracker to confirm that User/Licensee's employees are not experiencing any symptoms of illness prior to entering Drexel's campus. These protocols are updated from time to time, and User/Licensee agrees to review the link and Drexel's COVID-19 Response webpage for the most updated information relating to visiting campus and/or providing services to Drexel on site. User/Licensee further acknowledges that the use of PPE does not remove all risks of illness and that User/Licensee's choice of PPE is at User/Licensee's discretion and the University has no liability for User/Licensee's choice of PPE or for PPE provided by Drexel, if any.
